THERMASET STOCK RANGE

June 2020 (V9)

STOCK RANGE

We are delighted to give you Thermaset's expansive stock range including Qualicoat and London Underground approved powders. Included in this information is the price list for Thermaset's exciting Spectra Range and exclusive Thermaset Fluorescents. If there is a powder you require that is not listed please let us know, Thermaset prides itself on offering a bespoke powder service.

All products are lead and TGIC free.

Thermaset are also QUALICOAT approved in Matt, Semi-Gloss and Gloss finishes. We can supply and stock RAL, BS and bespoke colours.

Please place an order by call, email or using our online shop. You can also contact your local sales representative for any order or enquiries.
